

# The Upper Canyon

## 3 ½ Day Motorized Trips or 5 ½ and 6 ½ Day Oar Trip

### Lee's Ferry to Boat Beach

### 88 River Miles

On this 3 ½ Day Motor or 5 ½ and 6 ½ Day Oar Expedition your journey will take you 88 miles from Lees Ferry to Boat Beach (deep within the Grand Canyon). Your only schedule is to arrive at the take-out destination the morning of the last day – so relax and enjoy the grandeur of the upper canyon with its geological changes as the canyon walls rise above the river to heights of 5000 feet.

**The Day Before:** Please plan to arrive in Page, Arizona the day prior to your trip departure. You will require accommodations in Page, AZ. Wilderness River Adventures will arrange your reservations at Lake Powell Resorts and Marina for an additional cost. Resort confirmations will be sent with your trip instructions. You will be charged at the time of booking. That evening you will attend a "Meet and Greet" which last approximately ½ hour.

**The Day of Departure:** We transport all members of the expedition to the Colorado River launch point at Lees Ferry, Arizona via chartered bus. The drive takes approximately 1 hour and is 50 miles from Lake Powell Resort.

**TYPICAL DAY ON THE COLORADO RIVER:** Wake up to the smell of freshly-brewed cowboy coffee – sounds of rushing water mingled with the murmur of sleepy voices echoing through the grotto's of the canyon walls. Breakfast is hot and hearty – or as light as you want. After breakfast you will be asked to form a "bucket line" to help load the gear back on the boats and then the Colorado River beckons and you are off once again experiencing the rush of adrenaline as you continue on your journey back in time. Enjoy spectacular white water of major rapids, such as House Rock Rapid, Hance Rapid, Sockdolager, and Grapevine – you will see and enjoy dozens of additional sights including Vasey's Paradise, Redwall Cavern and The Little Colorado, as well as stretches of calm water where you will relax in the warm sun and enjoy breathtaking scenery. Photographic opportunities abound in the upper canyon. Lunch on the Colorado River; build your own sandwiches, with chips, cookies, fruit and soft drinks. Relax, read a book or perhaps hike or fish before shoving off again for an afternoon of thrills and surprises. Late afternoon finds you at camp for the evening. Again you will be asked to help unload the gear from the boats. As your crew sets up the camp kitchen everyone finds their ideal camp spot and sets up their "home" for the night. Later you relax with a cool drink and hors d'oeuvres, get better acquainted with your fellow river companions – as dinner sizzles on the grill. After dinner watch the sun set, join in the conversation of the group, and listen to the quiet of the canyon as you settle into your sleeping bag under a blanket of stars. Tomorrow brings another typical day on the Colorado River.

**The Last Day:** Your expedition terminates deep within Grand Canyon's inner gorge at Boat Beach. Our boats arrive at Boat Beach early morning to give you the advantage of the cool morning temperatures. A selection of food and beverages will be provided for your hike out. Water is also provided for the hike. Make certain that you bring two 2-quart water bottles, one for water and one for electrolyte replacement drink. Backpacks are necessary for this hike. Complete hiking instructions will be sent with your trip instructions. **THIS IS A 10-MILE HIKE. We do not recommend this hike unless you are in excellent physical condition and have done a lot of hiking.** You will ascend over 5000 feet in elevation from the river to the rim. Temperatures can vary greatly; during the summer inner canyon temperatures can reach 120° at high noon. The hike will take from 8 to 10 hours depending on the individual up a maintained but strenuous trail.
