Since we are unable to make any exceptions for any reason to our cancellation policy, *"we strongly advise"* all of our passengers to obtain some type of trip cancellation insurance. As a service to our customers, cancellation information is included in your packet.

ONE TRIP A YEAR RULE

Due to limited availability, the National Park Service restricts recreational boating opportunities on the Colorado River within Grand Canyon National Park to one trip per year per individual. Because of this regulation, Wilderness River Adventures cannot accept a reservation from any individual who has or will participate in any other full or partial canyon commercial or non-commercial river trip within the same calendar year. Grand Canyon National Park's one-trip-per-year rule is strictly enforced.

HELP PROTECT THE GRAND CANYON

When you book with Wilderness River Adventures on your statement you will notice that a One Dollar (1.00) per day per person "Pass thru Fee" has been added to your balance due. This money is passed on to groups through the Grand Canyon Fund, Inc. This money is awarded in the form of grants to non-profit groups and those working to provide access to backcountry outdoor experiences for those with physical and socioeconomic challenges. The Grand Canyon Fund does not award grants to individuals, for-profit corporations or government agencies. For more information please go to; www.gcroa.org/grand-canyon-fund.htm

If you elect not to participate in the pass through program, simply deduct the amount from your balance due.
